TEXL Completes its 50th GE90-115B Engine Output

EVA ESN 906220 successfully passed test at TEXL following a performance restoration shop visit and was released back to the airline on December 16th marking TEXL's 50th Engine Output.

"Congratulations to TEXL for reaching the milestone of its 50th Engine output with an EVA GE90-115. We are very pleased with the service and quality of the Engines delivered by TEXL and we look forward to continuing our relationship," said Mr. Bowen Tsao, EVP, Engineering & Maintenance Div. of EVA Airways.

GE Capital
Aviation Services

On January 26th 2013 TEXL welcomed its latest customer GECAS with the arrival of ESN 906107. This engine represents TEXL's 62nd GE90 input.
